

Regulations for visitors

We are reopening the museum from Tuesday, June 2, 2020. Please be cooperative for the following regulations due to the COVID-19 measures.

When visiting Tokyo Station Gallery :

1. **Please keep the used ticket** in case of a cluster at the museum to check the date and the time of your visit.
2. Please wear a mask at all times.
3. If anything mentioned below applies to you, please refrain from visiting the museum:
 - If you have fever, cough, soar throat, new loss of taste / smell or if you feel sick (Our staff will ask you to leave if you seem ill)
 - If you arrived from the country or an area with a widespread outbreak, in last two weeks.
4. Please disinfect with hand sanitizer installed at the museum entrance.
5. The elevator is restricted to 4 persons.
6. Please keep enough distance between other visitors.
7. Please do not touch the wall or display cases.
8. In order to avoid crowdedness in the museum, visitors must buy advance reservation tickets, only available at LAWSON TICKET. In addition to this measurements, the sales of the Tokyo Station Gallery Passport and some of the discount service will be stopped until further notice.
